TECHNICAL DATA SHEET

TAO Pure water bottling system

UK designed and manufactured sparkling and chilled 'table Water', for any capacity required, using 100% emission free gas.

We realise the need for 'No Plastic' and our systems are reliable, energy efficient and our after sales team are the envy of the industry. Let us help you to make the right choices with the full support of our technical staff who have over seventy five years combined experience in the bottling industry.

TAO Bottle

Our sleek stunning bottles look fantastic in todays modern office.

- Tao-Bottle Modena 450 (Voss style bottle)
- Tao-Bottle Modena 650
- Tao-Bottle Classic 700 (Classic bottle)
- Tao-Bottle Classic 1000

Bottle Branding

Our bottles are designed and printed for you by our highly skilled in-house team.

The TAO bottle is manufactured in Borosilicate glass which known for having very low coefficients of thermal expansion, making them resistant to thermal shock, more so than any other common glass.

The ceramic ink we use in our printing process is fired in our ovens to over 600deg which makes the printed logo glasswasher safe and ensures your brand always looks great.

– THERE REALLY IS 'NO EXCUSE FOR SINGLE USE. –

TAO Bottlers

1. Counter Top

Tao-Bottler CT 80
