Product code:

EWEF/1.0

TECHNICAL DATA SHEET

EW Ecoflow 1.0

FEATURES

- Contemporary design
- Rub free easy clean shower head
- 3 function push button control
- 3 spray patterns
- Light, heavy & jet options
- Easy grip handset.

Key features

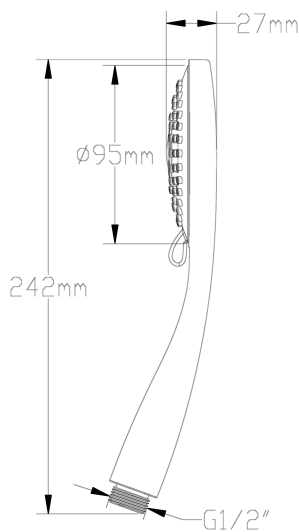

Finish: Chrome

Material: ABS

Water pressure: 5.0 l/min flow rate

Easy fit hose connection 1/2 BSP Thread

120mm shower face

All measurements are in mm unless indicated otherwise

OPTIONAL EXTRA

Water and energy savings can be achieved by using the 1/2" shower water saver. Simply insert the 1/2" screw connection between faucet and shower hose and save water & energy without loss of comfort. This shower water saver keeps a constant flow rate independent from supply pressure variations.

Flow rate	Product colour
5.0 l/min	Yellow
6.0 l/min	Black
7.0 l/min	Green
8.0 l/min	White
9.0 l/min	Orange
10.0 l/min	Blue
12.0 l/min	Red

Example shown is the 10.0 l/min

SAVES WATER • SAVES ENERGY • SAVES MONEY
